Simulation Room , 6th Floor of GSICS building

どなたでも自由に参加いただけます。本セミナーは英語で実施されます。

Brooks Kaiser

Dr. Kaiser is Professor of Environmental and Resource Economics at the University of Southern Denmark. Much of her research focuses on marine resource governance and use in the Arctic.

Chris Horbel

Dr. Horbel is Associate Professor of Management at the Norwegian School of Sports Sciences and at the University of Southern Denmark. Her research addresses the changing landscape of tourism as an experience good. The two are working jointly to identify solutions to growing sustainable tourism challenges in the Nordic Arctic.
